

HEI Commercial Facility Projects

Buehlers Ashland Grocery Store:

A new freestanding nominal 82,000 Sq. Ft. supermarket which includes typical general grocery areas along with delicatessen, bakery, produce, meat and dairy departments as well as a pharmacy, a floral department, a restaurant, a video/photo department, a child care area and a bank. The facility also includes a back room conveyor system which delivers groceries to a customer pick-up area beneath an exterior drive up canopy.

Federal Express Sort Facility:

A new freestanding regional terminal facility which includes 38,000 Sq. Ft. of vehicle transit and sort area, 2200 Sq. Ft. of vehicle maintenance garage, and 5100 Sq. Ft. of administrative office space.

Waikem Honda Car Dealership:

A nominal 20,600 Sq. Ft. new free standing full service car dealership. The facility is comprised of 9,600 Sq. Ft. of fully conditioned sales and storage areas and 11,000 Sq. Ft. of heated and ventilated service area.

Akron Canton Airport Baggage Claim Add.:

A nominal 22,000 Sq. Ft. baggage claims addition to this growing airport. In addition to the public baggage claims area the project included behind the scenes baggage handling support space, new high traffic public toilet rooms and office and counter spaces for car rental agencies.

Wayne Savings Community Bank:

A nominal 3,000 Sq. Ft. Bank branch which was a house prior to an addition and major renovation. In addition, a 900 Sq. Ft. garage and 1200 Sq. Ft. basement provides support space.
