Hinkel Engineering Inc.

Cindy Murphy

Senior Designer

Cindy Murphy joined Hinkel Engineering Inc. in January of 2004 and has been designing HVAC systems since her graduation from North Central State College in 1986. She is a member of the American Society of Heating, Refrigerating and Air-Conditioning Engineers and was a 1994 YMCA TWIN (Tribute to Women in Industry) nominee.

Cindy is a graduate of North Central State College (1986) with an AAS in Mechanical Engineering. Cindy was the principal HVAC designer for Hinkel Engineering Inc. on a LEED design building at Hiram College that is Gold Certified through USGBC.

HEI Staff

Hinkel Engineering, Inc. has a technical staff of six full time engineers and designers with a combined experience of over 150 years along with a part-time office administrator. Lewis Hinkel and Stacey Lloyd are registered professional engineers. Lewis Hinkel is also a Certified Energy Manager and a Certified Energy Auditor. Dave Baker and Dan Evans are Certified Plumbing Designers. In addition Dan Evans is a LEED Accredited Professional. While each staff member possesses some unique knowledge & skills, we feel our greatest strength is in our ability to work together as a team.
