## Hinkel Engineering Inc.

### Daniel Evans, CPD, LEED AP BD+C Associate

Dan Evans joined Hinkel Engineering Inc. in March of 2006. His design experience in Plumbing Design, Fire Protection Design and HVAC Design dates back to 1982. Dan has earned and maintains the qualifications to be Certified in Plumbing Design (CPD) through the American Society of Plumbing Engineers. He is an active member with the Cleveland Chapter of the American Society of Plumbing Engineers and assists in the updating of their plumbing handbook.

Dan is a Graduate of Stark State College (1982 AAB) and Cleveland State University's Concentrated Programs of HVAC (1990) and Plumbing Piping Design (1991). In addition, Dan is proficient in computer technology and custom AutoCAD applications. Dan is also our in house Web Developer and newsletter editor. In 2007 Dan became a LEED Accredited Professional and maintains the specialty credential to denote practical knowledge of the Green Building Design + Construction LEED rating systems: LEED for New Construction, LEED for Schools and LEED for Core & Shell. Dan is an active volunteer with the Akron / Canton Extension of the Cleveland Chapter of the USGBC.

#### HEI Staff

Hinkel Engineering, Inc. has a technical staff of six full time engineers and designers with a combined experience of over 150 years along with a part-time office administrator. Lewis Hinkel and Stacey Lloyd are registered professional engineers. Lewis Hinkel is also a Certified Energy Manager and a Certified Energy Auditor. Dave Baker and Dan Evans are Certified Plumbing Designers. In addition Dan Evans is a LEED Accredited Professional. While each staff member possesses some unique knowledge & skills, we feel our greatest strength is in our ability to work together as a team.
