## Hinkel Engineering Inc.

### David Baker, CPD Associate

Dave Baker joined Hinkel Engineering Inc. in June of 1999 but has been designing mechanical systems since 1975 with primary emphasis in the past twenty years on plumbing design. Dave has earned and maintains the qualifications to be Certified in Plumbing Design (CPD) through the American Society of Plumbing Engineers. He is an Associate for Hinkel Engineering, Inc. and is in charge of all Plumbing and Fire Protection design standards and oversees all Plumbing and Fire Protection design work for the firm.

Dave has studied construction design at Cleveland State University earning an HVAC Design Certificate in 1983 and a Plumbing Design Certificate in 1984. Dave is a member of the American Society of Plumbing Engineers. Dave was the principal plumbing designer for Hinkel Engineering Inc. on a LEED design building at Hiram College that is Gold Certified through USGBC.

#### HEI Staff

Hinkel Engineering, Inc. has a technical staff of six full time engineers and designers with a combined experience of over 150 years along with a part-time office administrator. Lewis Hinkel and Stacey Lloyd are registered professional engineers. Lewis Hinkel is also a Certified Energy Manager and a Certified Energy Auditor. Dave Baker and Dan Evans are Certified Plumbing Designers. In addition Dan Evans is a LEED Accredited Professional. While each staff member possesses some unique knowledge & skills, we feel our greatest strength is in our ability to work together as a team.
