Hinkel Engineering Inc.

Roger Bowling Designer

Roger joined Hinkel Engineering Inc. in April 2010. Before joining HEI he spent over 12 years working in the architectural design field at Felty-Hienlen Architects where his experience included working with clients on design developments to the final construction documentation. Prior to that he was employed at Therm-O-Disc Inc. for 18 years. At Therm-O-Disc, Roger was the Cad Coordinator and Chief Design Checker for the Engineering Design/Drafting Department. Roger is in charge of coordinating our Building Information Modeling (BIM) standards and projects.

HEI Staff

Hinkel Engineering, Inc. has a technical staff of six full time engineers and designers with a combined experience of over 150 years along with a part-time office administrator. Lewis Hinkel and Stacey Lloyd are registered professional engineers. Lewis Hinkel is also a Certified Energy Manager and a Certified Energy Auditor. Dave Baker and Dan Evans are Certified Plumbing Designers. In addition Dan Evans is a LEED Accredited Professional. While each staff member possesses some unique knowledge & skills, we feel our greatest strength is in our ability to work together as a team.
